Art: dimensions, medium, framing and editions by agreement. Murals: site survey, surface preparation, access, installation and permissions by project. Campaign use / licensing scoped separately. All pricing by written quote.

Single-wall mural collection

Approx. 15 x 20 ft wall direction. Concept mockups, not completed commissions.

SB-M05 / Tiki Lookout

Original tiki roots. Palette: Blush / ochre / teal / navy / cream.

Simplify the totem into six broad shadow bands. Leave two palms as silhouettes.

SB-M06 / Night Guardian

Tiki inside the hollow. Palette: Charcoal / cobalt / violet / coral / cream.

Keep the mask to eyes, nose and mouth. One coral branch is enough.

COMMISSION TERMS

Pricing, surface prep, access, paint coverage and installation schedule by site quote. 3-5 hours is a simplified painting target after preparation and layout, not a fixed completion promise. Advertising and reproduction rights scoped separately.

Single-wall mural collection

Approx. 15 x 20 ft wall direction. Concept mockups, not completed commissions.

SB-M07 / Sunset Totem

Warm graphic surf. Palette: Terracotta / ochre / plum / orange / cream.

Use one wave fill and one shadow. Omit extra leaf slivers for a faster wall.

SB-M08 / Island Double Set

Palms and tucked sun. Palette: Cream / coral / teal / navy / ochre.

Two waves travel together. Keep the rear wave smaller and use one teal fill.

COMMISSION TERMS

Pricing, surface prep, access, paint coverage and installation schedule by site quote. 3-5 hours is a simplified painting target after preparation and layout, not a fixed completion promise. Advertising and reproduction rights scoped separately.

Single-wall mural collection

Approx. 15 x 20 ft wall direction. Concept mockups, not completed commissions.

SB-M09 / Tiki Spit

Closest to the original sketch. Palette: Mint / navy / coral / cream / ochre.

Reduce forehead bands and teeth. Use one loose palm instead of intricate fronds.

SB-M10 / Coral Venom

Snake lip and coral hollow. Palette: Cream / teal / navy / coral / ochre.

Limit cheek scales to five large marks. Make coral branches wide and sparse.

COMMISSION TERMS

Pricing, surface prep, access, paint coverage and installation schedule by site quote. 3-5 hours is a simplified painting target after preparation and layout, not a fixed completion promise. Advertising and reproduction rights scoped separately.

SB-M11 / Night Venom

Bold roller silhouette. Palette: Navy / lime / aqua / cream / coral.

Best quick-wall candidate. Keep one hood highlight and four rib lines.

SB-M12 / Coral Current

Abstract tiki-wave blend. Palette: Coral / teal / navy / cream / ochre.

Reduce the sun to one circle if needed. Use one broad coral gesture in the hollow.
